Library opens a repair corner

Starting December 5, the library will host a repair corner on the first Saturday of each month, from 10 am to 1 pm. Volunteers fix lamps, toasters, zippers and bikes for free.

Bring one item per visit, and bring the parts if you already bought them. Sign up at the front desk or call 555-0111.

Road work on Quarry Street

Crews will resurface Quarry Street between Mill Street and the river bridge from November 23 to December 4. The road stays open to local traffic.

Parking on the east side is closed during work hours, 7 am to 5 pm. Bus stop 14 moves 50 meters north for these two weeks.

Winter coat drive

The school gym takes clean winter coats, hats and gloves in all sizes until November 30. Drop boxes are at the front office and at the Copperleaf Cafe.

Volunteer of the month

Ana Kowalski has walked dogs for the animal shelter every Tuesday for six years. She says the secret is good shoes and a pocket full of treats. Thank you, Ana.

Dates to remember

Nov 26: Town hall closed.

Dec 1: Council meeting, 7 pm.

Dec 5: Repair corner, 10 am.

Dec 12: Tree lighting, 5 pm.

Send news to editor@millbrook.example by the 20th of each month.
